

“Why should you consider investing with the CDF?”

Because you will be making a practical “Investment in Faith” **which provides real benefits for YOU**...and for us all!

Established in 1974, the Catholic Development Fund (CDF) exists to provide competitive financial services and support to parishes, colleges, schools and other Church organisations within the Archdiocese of Perth, and the Dioceses of Broome and Geraldton.

Through **prudent, ethical and commercially-responsible management**, the CDF continues to fund the needs of the Dioceses today, and into the future.

The true value is that by working together and supporting each other, we build and grow in strength.

When investing with the CDF, you can be **absolutely secure** in the knowledge that you are helping the Church, and that your family and parish will also benefit from your sound investment.

By investing with the CDF, you will contribute towards projects such as:

- New Churches
- New Parish Centres/Halls
- New and Refurbished Presbyteries
- College Performing Arts and Computer Centres
- College/School Buildings
- College/School Technology Equipment
- Aged and Health Care Facilities
