# Education Fund

*Give your child the best possible start in life*

*The CDF helps you  
invest in your child's future*

We all want to provide our children the best possible start in life and a good education is something most parents consider a priority.

**How do you appropriately plan and provide for your children's ever increasing educational fees and other expenses?**

**- By opening a CDF Education Fund Account!**

## The CDF Education Fund helps you...

- save regularly and easily!
- receive an excellent return on your money
- start saving with a low initial deposit
- pay those education fees simply and with no extra outlay

## Benefits of the CDF Education Fund

- absolutely guarantees your money, giving you complete peace of mind
- lets you open one account for the whole family
- incurs no fees or charges, as with all CDF accounts
- is flexible - deposit when you can

## Attractive Investment Rates

Your money attracts an investment rate of interest, provided you do not withdraw funds from the account for the first two years.

After the initial qualifying period, you can continue to deposit and withdraw funds from the account whenever you wish, and continue to enjoy investment rates of interest.

With an initial deposit as low as \$200 and further minimum deposits of \$100 made at your discretion, your money will not only help your children's future but will aid the Church.

Your funds are helping the pastoral work of the Catholic Church in Western Australia in financing approved capital works for schools, churches, parish centres and aged care facilities.

The CDF Education Fund is available for primary, secondary and tertiary students.
